Neighborhood Clean-Up Tomorrow

Tomorrow we will have our annual neighborhood clean-up from 9:00am-noon. The city has provided a dumpster free of charge for us to use to clean up sticks and debris from the common area. Please come, bring wheelbarrows, clippers, or other tools that would be helpful in cleaning up the common area. The meeting area is the pool parking lot. The board will provide donuts and water. We also have gloves and trash bags. Any help is greatly appreciated.

Coldwater Road Construction

The contractor has completed the work on the Coldwater Road wall. The new limestone top has been added and the entire wall sealed. The board is currently working on repairing or replacing the light fixtures that sit on top of the wall.

Fort Wayne Leaf Collection

Fort Wayne Street Department will begin the annual leaf collection on October 31st, 2022. There will be two rounds of collection in each of the city's more than 400 neighborhoods.

North Neighborhoods will be collected:

- Round 1 - November 7- November 11
- Round 2 - December 5 - December 9

Some helpful reminders from the city

- Rake leaves to the park strip by 7am on the first day of the week when crews will be in your area.
- Don't put leaves in your trash or recycling car. This is against State of Indiana law.
- Don't burn leaves. It's a violation of city code and can result in a fine.
- Don't place leaves in the street.
- Don't place leaves in storm drains

Friendly Reminders

- The covenants state that garbage and recycling bins are not to be viewable from the street. Please assess your property and if you can see the bins from the street we ask you move them in your garage or another area they can not be viewed from the street. Letters will be sent next week to those that are not in compliance with this covenant.
- Please blow your grass clipping back into your yard from the street or off the sidewalk
 - Please park in your driveway if at all possible and minimize blocking the road.
